

Murillo/Malnati Homes Breaks Ground in Cathedral Heights

JULY 2018

Murillo Malnati Homes, MMg's luxury single-family brand, has broken ground on its latest single-family project located at 3117 38th Street NW. The 9,000 SF lot is designed to be a new luxury 8,300 SF, 7-bedroom, 6-bath home in the Cathedral Heights neighborhood of Cleveland Park.

With the National Cathedral only one block away from the site, the views from the rear of the house and the Master bedroom will be truly spectacular.

The new project was designed by Nationally-recognized GTM Architects (www.GTMArchitects.com). The GTM design features:

Coffered ceilings at Kitchen/Family Room, tray ceilings, 10' ceilings in lower level and first floor, 9' ceilings in the 2nd floor, 13' kitchen island, custom built-ins throughout, French doors, private in-law/nanny suite with separate entrance, dedicated wine storage room, basement bar entertaining space, elevator servicing all floors, brick side hall colonial with Modern Farmhouse interior design, fully-finished basement and attic, walk-in closets.
